

## An Example of CPA Marketing

CPA marketing is one the best ways to make money online and is similar to affiliate marketing where you don't have to own the product.

**Cost Per Action** or **CPA** is whereby you lock content such as a link to a website, file, page, images and so on and the visitor will have to fill in a offer to access it. Once they do you get paid\$\$.

AdworkMedia is a CPA network offering such services to content lockers and in this video I show you how to make money from it by locking a movie.

This is one of my favorite strategies and I have talked about it before.

With this pandemic that the world is experiencing, this would be the best time to make money from locking movies as many people around the world are binge watching movies and shows in their homes.

## WORDS AND THE PORN WORLD

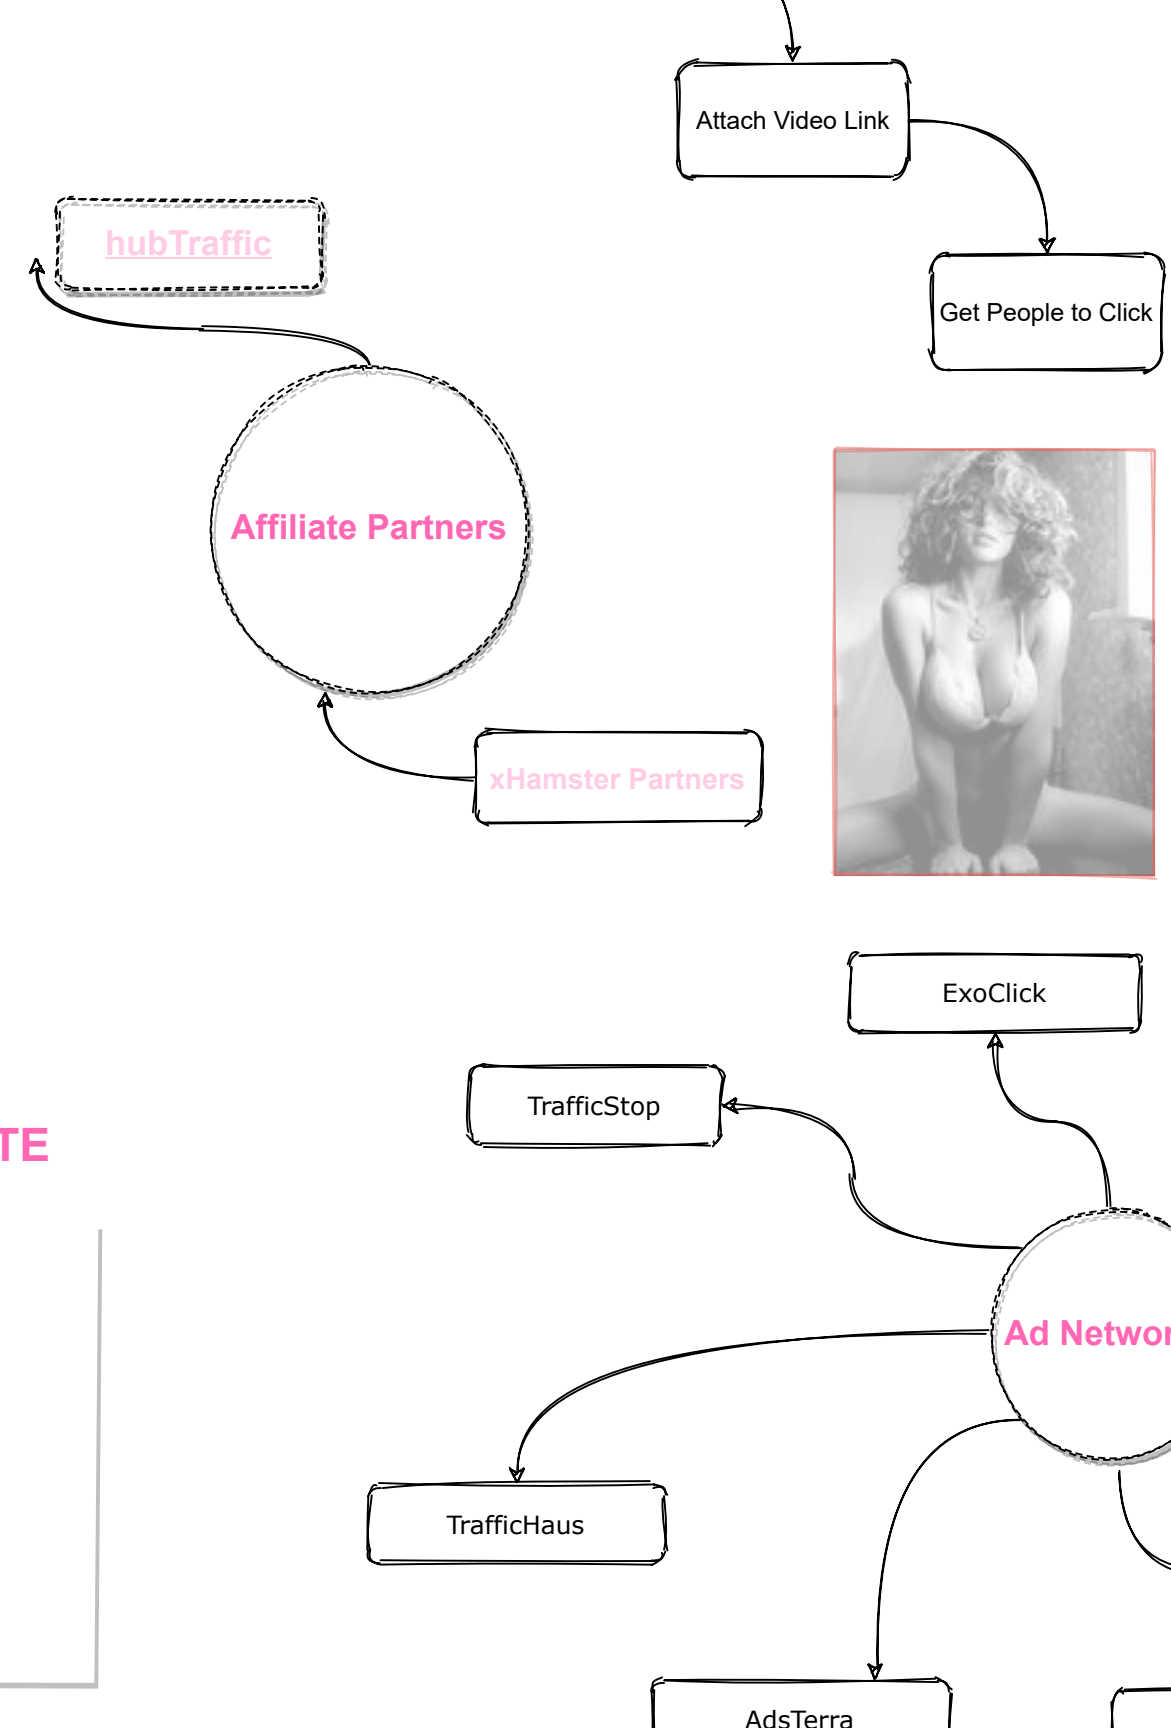

*long tail keywords as an afterthought, or just assume they come naturally. The porn world, though, actually uses these "long tails," then expands off them. They have the ability to find a lot of really weird people out there, who will do some pretty weird things. Right now, according to Wordze, the most popular keyword featuring the word "grandma" is "grandma sex," with an average of 100 searches per month. From there, there is a decent number of long tails including things like "Filipino grandma sex." For "grandma sex," there are over 1000 recorded long tails that branch off. In my experience, it misses A LOT (it only shows things with a decent search volume)."*
